RE: Peter Bennett Named One of the Top Employment Attorneys in the Nation

We are pleased to announce that Peter Bennett has been named one of the 100 most powerful employment attorneys in the nation by Human Resource Executive Magazine and Lawdragon.com. The list of the 100 top corporate employment attorneys (<http://www.hreonline.com/pdfs/100616MostPowerfulAttorneys.pdf>) identifies the most powerful employment attorneys in the nation and Peter is the only attorney in northern New England to receive this honor. All 100 attorneys were selected for inclusion on the basis of evaluations by clients and peers, curriculum-vitae analyses, and reporting by the Lawdragon staff.

As many of our clients are aware, Peter is nationally recognized as a leader representing management in the field of labor and employment law. He is a past Chair of the American Bar Association's 35,000 member Tort, Trial and Insurance Practice Section. He has given in excess of 200 law-related lectures in over twenty states, and has taught personnel law at the University of Southern Maine since 1989. He is currently serving as Dean of the 2009/2010 ABA TIPS Leadership Academy and is a member of significant ABA initiatives including the ABA's Standing Committee on Judicial Independence.

We congratulate Peter on this well deserved honor. The honor is emblematic of not only Peter's commitment but our entire firm's commitment to providing exceptional counsel to our clients.

Sincerely,
