Dear Friends:

Each year during the Holiday Season, we pause to reflect on the challenges and accomplishments we experienced during the year, as well as the challenges and accomplishments of our business associates, friends and our community. We also like to take time during this Holiday Season to appreciate that, as busy and stressful as all of our lives get, we are truly fortunate for all that we do have. As a Charter Member of the International Society of Primerus Law Firms, we participate with other firms throughout the United States and Canada in making community service a priority for our law firm.

During the past year, our attorneys and staff have had the privilege of volunteering their time and resources to the following local programs:

Ingraham	Center Day Camp
Portland Stage Company	Boys and Girls Clubs of Greater Portland

Each year, we have tried to satisfy both the desire to thank you for your support and our wish to help important programs and institutions in our community. This year we are providing a scholarship opportunity for a student at the University of New England. We make this donation in honor of our friend Ben Chretien. Ben is the University's Vice President of Business and Finance and will be retiring at the end of this month. During Ben's thirty-five year tenure at the University, he worked diligently to bring the University from some financially challenging years to this year which is the University's strongest financial year in the history of the institution. We are honored to have had the opportunity to work with Ben and wish him well in retirement.

We also appreciate our continuing relationship with you and thank you for the opportunity to work with you. We offer our very best wishes for a happy, healthy, and successful 2008.
