([PRWEB](#)) May 5, 2010 -- Rick Finberg, a shareholder with The Bennett Law Firm, P.A. (<http://www.thebennettlawfirm.com/>) in Portland, ME, has been selected by Chambers USA to be included in their annual Chambers USA Guide to the Legal Profession, published by Chambers and Partners.

Chambers USA ranks attorneys who are considered leaders in their field, and inclusion in The Chambers Guide is based exclusively on extensive research and interviews conducted by Chambers USA's research team to produce independent and objective rankings.

Since 1969, Chambers and Partners has published world-famous guides to the legal profession, and have also hosted major award ceremonies in London and New York to honor the achievements of the world's leading lawyers. Lawyers are ranked on qualities of legal ability, professional conduct, client service, commercial awareness, diligence, commitment and other qualities most valued by clients, making inclusion in The Guide a noteworthy achievement.

Attorney Finberg (<http://www.thebennettlawfirm.com/>), who's been a shareholder with The Bennett Law Firm since 1992, specializes in representing management on issues of employment and labor law throughout New England. Mr. Finberg graduated cum laude from Brandeis University with a B.A. in 1985. He earned his J.D. from Boston University where he, again, graduated cum laude in 1988.

The Bennett Law Firm, P.A., was founded over forty-five years ago by its namesake, Herbert H. Bennett, a well known and nationally prominent trial lawyer whose practice focused on representing management on issues of labor and employment law. Throughout the years, the firm has remained relatively small by design and it continues to provide highly specialized legal services to a broad client base. Although the firm is located in Portland, Maine, the firm's client base stretches throughout New England.

The Bennett Law Firm is also a member of the International Society of Primerus Law Firms (Primerus). Primerus ([http://www.primerus.com/firms/bennett\\_law.htm](http://www.primerus.com/firms/bennett_law.htm)) is the leading alliance of small and medium sized, top-rated, independent firms.
