### **About The Bennett Law Firm**

The law offices of The Bennett Law Firm have been located in Portland, Maine for over 50 years. Herbert H. Bennett, the firm's namesake and nationally prominent trial lawyer whose practice focused on representing management on issues of labor and employment law, founded this firm. Throughout the years, this law firm has remained relatively small by design, and it continues to provide highly specialized legal services to a broad client base. Located in Portland, Maine, the firm's client base stretches throughout New England. The firm offers experienced legal guidance in aggressively avoiding unionization, and is also at the forefront in developing preventative policies and procedures, training, avoiding and, if necessary, resolving employment disputes (including alternative dispute resolution), negotiating collective bargaining agreements, arbitration and defending litigation arising from employment disputes.

In addition to the firm's labor and employment practices, it handles complex litigation, alcohol licensing and civil litigation, and focuses on resolving complex legal matters that confront both businesses and individuals daily.
