PETER BENNETT TO DISCUSS UNPRECEDENTED MARKET BASKET SAGA ON RADIO PROGRAM THIS SATURDAY MORNING

On this week's HR Power Hour, Labor and Employment Law Attorney Peter Bennett of the Bennett Law firm talks about the Market Basket supermarket chain and the lessons employers need to learn.

The unprecedented employee job action at non-union Market Basket supermarkets has caught the attention of the region and beyond. The ability of the Market Basket employees to organize themselves and their neighbors, and to do so without the assistance of a union, has great implications and possible consequences for employee organizing in both union and non-union workplaces throughout the country.

Peter discusses the possible employment ramifications and lessons employers, leaders, unions and employees should take away from this unique event.
