Dear Friends:

Each year during the Holiday Season, we pause to reflect on the challenges and accomplishments we experienced during the year, as well as the challenges and accomplishments of our business associates, friends and our community. We also like to take time during this Holiday Season to appreciate that, as busy and stressful as all of our lives get, we are truly fortunate for all that we do have. As a Charter Member of the International Society of Primerus Law Firms, we participate with other firms in making community service a priority for our law firm.

Each year, we have tried to satisfy both the desire to thank you for your support and our wish to help important programs and institutions in our community. In addition to our efforts to provide community service, this year, we are proud to be a sponsor of “Lawyers Without Rights: Jewish Lawyers Under the Third Reich” at The Maine Jewish Museum in Portland, Maine. The exhibit vividly demonstrates what happens when government tramples the rule of law. “Prior to World War II, Jewish lawyers in Germany were accepted members of society and comprised about 40% of all members of their profession. In 1933, a statute banning all Jewish judges, prosecutors, and lawyers from the courts was issued. The exhibit, Lawyers Without Rights, focuses on these individuals and tells the story of what happened... until the end of persecution after 1945.”

Exhibits such as this serve as stark reminders that we must be ever vigilant in the defense of the rights and freedoms that we enjoy in this country. Created by the German Federal Bar in conjunction with the American Bar Association, “Lawyers Without Rights” has toured more than 80 cities worldwide. The Maine Jewish Museum is presenting this compelling exhibit from December 10th through February 13th of 2015 and we are proud to be able to bring it to our community.

We appreciate our continuing relationship with you, and thank you for the opportunity to work with you. We offer our very best wishes for a happy, healthy, and successful 2015.
