September 19, 2015

The Bennett Law Firm is pleased to announce that Peter Bennett has been appointed to the ABA's Commission on the American Jury for 2015 – 2016.

The Commission on the American Jury began in 2003 under the leadership of ABA President-Elect Robert J. Grey, Jr. His vision was to bring four ABA groups together to focus on the importance of the jury in the American democratic tradition as practiced at the beginning of the 21st Century by addressing key aspects of jury composition, comprehension, and culture.

The four ABA groups represented on this Commission include the Section of Litigation, the Tort, Trial and Insurance Practice Section, the Criminal Justice Section, and the Judicial Division. Each group appoints 3 members to the Commission

Through its bi-annual Symposium, the Commission brings together lawyers, judges, professors and other groups interested in the preservation of the jury and the jury system.

Peter Bennett is nationally recognized as a lawyer representing management in the field of labor and employment law, and is President of The Bennett Law Firm.
